Notes

1 A billing cycle runs from the third-last business day of the month to the fourth-last business day of the following month. Your statement will reflect the fees for all transactions that you effected in the previous billing cycle. In other words, you are billed one month in arrear.

2 You will pay only one monthly subscription fee, even if you subscribe to more than one of these self-service banking channels. For example, if you are already a Nedbank Online Banking subscriber and you decide to register for Telephone Banking: Self-service as well, this will be included in the monthly subscription that you are already paying.

3 These fees apply at all stores where cash at tillpoint is offered, for example the Pick n Pay group, including Score and Boxer.

4 This fee applies to ALL transactions through a foreign merchant and is calculated at 2% of the transaction value. For example, if you swipe your card overseas for the rand equivalent of R500, the fee will be R10,00.

5 For current account products you will receive one free statement per month. For savings account products you will need to request a statement to be mailed and a fee will apply.

6 Payment notifications can be sent to third parties. However, a fee will be charged for each notification sent.

7 Includes the following free subscriptions: Nedbank Online Banking and Telephone Banking: Self-service.

8 Facility fees, while prescribed by the National Credit Act, may differ for internal banking segments.

9 Cash deposits made at Nedbank intelligent-depositor ATMs are priced at 50% of the cash deposit fee, with a minimum of 74c per R100 or part thereof. If your quoted cash deposit fee is less than 74c per R100 or part thereof, you will be charged 100% of your quoted fee.

10 Send money quickly and securely to any SA cellphone.

11 One free ATM withdrawal per billing cycle.

12 Zero fees for the first six months up to a maximum of 20 electronic transactions per month, including one ATM withdrawal.
